June 2017

## RESIGNATION OF APAC CEO

After two years in the role of CEO, Ms Jane Stephens has advised that she wishes to step down, effective 8 September.

The extension of our assignment agreement for 12 months, pending the outcomes of the Accreditation Systems Review, raised a problem for Ms Stephens, who advised the Board that she would not wish to continue as CEO past June 2018, so an early departure has been agreed.

A search process is underway, with the aim of effecting a handover to a new CEO in early September at the latest.

We thank Ms Stephens for her work for APAC during a period of significant change, and wish her well for the future.
