2020 post AGM – changes to the APAC Board

The APAC Annual General Meeting was held on November 30th, 2020. Following the AGM, there have been some changes to APAC's Board of Directors.

After six years as a member of our Board, Adjunct Professor Geoffrey George has completed his term as a director. Not only was Geoffrey a valued member of the board for this time but he also served as Chair of the Finance, Risk and Audit Committee (FRAC) for those six years.

We welcome Mr Mark Eldridge who joins our Board as a community director following the AGM. Mark has a strong background in finance and business and has been appointed by the APS.

Professor John Gleeson, Professor Romola Bucks, Adjunct Associate Professor Roger Cook, Professor Alison Garton and Professor Robert Schweitzer have been re-appointed to serve a second three-year term with us as a director on the Board at APAC.

Michael Carpenter

CEO, APAC
