

Application for Accreditation of an Additional Campus to an Existing Program Title

The Australian Psychology Accreditation Council Limited (APAC) is the accreditation authority for Psychology programs in Australia. All programs accredited by APAC are assessed against the *Accreditation Standards for Psychology Programs (2019)*.

This form is for education providers to submit when seeking to offer an existing program of study at a new campus. An assessment of the impact on the relevant Accreditation Standards will be undertaken by an APAC Assessment Team. **Please submit along with this application details of how this identical program of study at the new campus will continue to meet the Accreditation Standards.**

By submitting this form, the education provider confirms that it wishes APAC to review the additional campus for the purpose of accreditation and agrees to the payment of the associated fee as advised on APAC's website. APAC will invoice on receipt of this application and complete processing this application once payment is received.

APAC Rule 3.4 Changes to the education provider or a program during the accreditation period

APAC monitors accredited programs to ensure that they continue to meet the Accreditation Standards, pursuant to Section 50 of the National Law.

It is the responsibility of the education provider to inform APAC as soon as possible of any changes or proposed changes to the delivery of its accredited program. Failure to inform APAC of any changes may impact on future accreditation status of the program.
