Notes:

- Level refers to the Graduate Competency Level:
 - Level 1 Foundational Competencies
 - Level 2 Pre-Professional Competencies
 - Level 3 Professional Competencies
 - Level 4 Professional Competencies for Specialised Areas of Practice
- Level 1 undergraduate sequence assessment fee (including undergraduate bridging program) is charged only once where the sequence is identical, for example the assessment of the identical Level 1 sequence within six different undergraduate degree program titles results in one fee
- Level 2 program assessment fee is charged once for Honours programs where the program is identical, and once for Graduate Diploma programs where the program is identical, for example the assessment of the identical Level 2 program within six different Honours programs results in one fee
- Level 1 & 2 undergraduate sequence assessment fee (including undergraduate bridging program) is charged only once where the sequence is identical, for example the assessment of the identical Level 1 & 2 sequence within six different undergraduate degree program titles results in one fee
- Level 4 program assessment – fee is charged once for each Area of Practice, for example the assessment of a Masters degree in Clinical Neuropsychology, and of a combined Masters degree in Clinical Neuropsychology and PhD, results in one fee
